REGULAR PRICES

Municipal District of Bow Valley,

PUBLIC NOTICE

Public Notice is hereby given under the provisions of the Dominion Animals Act, 1923, that pounds have been established at the following places: Strathmore, 27-22-24; 31-21-25; 22-25; 29-22-26; and 22-22-26. That the poundkeepers for these pounds are: H. Akerman, W. Fawkes, Alfred Ardenode, B. Marshall, M. Van Der Veldt and W. J. Miller.

The places where notices of animals impounded are to be posted is at each of the pounds where the animal is impounded, and at one of the following places nearest to the pound, viz: Akerman and Marshall ponds, B. Marshall and Cradlock ponds, Strathmore; W. J. Miller pond; at Wade's store, Cheadle; Mr. Anderson and M. Van Der Veldt ponds, at W. E. Brown store, Carseland; and W. Fawkes pond, at Melnichuk store, Namaka.

Dated at Strathmore this 25th day of May 1923.

W. G. WAY,

Sec. Treas.

Municipal District of Bow Valley,

NOTICE

Notice is hereby given that if all arrears of taxes imposed in 1922, in respect of any parcel of land situated within this municipality are not paid on or before the 1st day of July next, such land will be dealt with under the provisions of The Tax Recovery Act, 1922, with a view to obtaining certificate of title in the name of the municipality in respect of such parcel.

Dated at Strathmore, Alberta, this 4th day of June, 1923.

W. G. WAY,

Secretary-Treasurer

Coming Events

A. C. Weaver, of Bassano, will deliver a lecture entitled "Baptist and Cooperation" on Friday evening, June 8, in the L.O.O.F. Hall, Strathmore. This meeting is under the auspices of the U.F.A., but everyone interested is cordially invited to attend. A small collection will be taken to defray expenses.

Best May Rainfall In Many Years

Record for the District

Those who have come to Alberta during the past year have never seen the weather of the Province in the mood it is in just now. Day after day the sky is covered with heavy clouds which pour out moisture on the ground. The ditches are filled up, the roads are too heavy for motor traffic, and even in the cultivated fields pools of water have formed.

With it all, the weather continues warm, and crops in consequence are making quick progress.

The heaviest rain seen here for years came down on the 21st, when 1.61 inches fell, and in addition 47 fell in the early morning of the 21st, making a total for thirty hours of 2.08 inches.

The moisture has been pretty evenly distributed over the whole district. The rapid rise of the Bow and Elbow rivers at Calgary have risen to considerable anxiety, and the low lying parts of Calgary on the banks of the Elbow were flooded on Friday, and considerable damage done.

As noted in another column, the traffic on the main line was interrupted by a cloudburst near Bassano, bridges being washed away.

The irrigation headgates at Calgary were in danger for a time on account of driftwood coming down, and Mr. Stockton and a number of his staff stayed there during the height of the flood to guide the floating logs through the weir.

The C.N.R. line was interrupted on Friday by a bridge washing near Ardenode, and on the Irricana-Bassano branch of the C.P.R. traffic was stopped all Monday by a washout near Chancellor.

The following tables give the rain fall record for the district:

Strathmore Temperatures for May
Max. temperature 78.8 on 22nd; min. temperature 24.2 on 13th; mean temperature 54.6 degrees C.

May Rainfall in Western Section
Strathmore, 3.97; Carleton, 2.97; Dalroy, 1.66; Gleichen, 2.38; Wmaka, 1.28; Carseland, 1.67; Cheadle, 4.13; Cradlock, 5.16; Ardenode, 4.27.

Strathmore Rainfall
May 2nd, 0.18; 24th, 0.06; 25th, 0.25; 26th, 0.11; 27th, 0.06; 28th, 0.01; 29th, 0.01; 30th, 0.47; 31, 1.41; June 1st, 0.31; 2nd, 0.66; 3rd, 0.14; 3.88 inches in the 12 days.

ADDRESSES WOMEN'S CANADIAN CLUB

On Monday afternoon Mrs. Parbury, minister without portfolio in the Alberta Government, addressed a large gathering of the members of the Women's Canadian Club at the Macdonald, Edmonton, at an afternoon tea.

Mrs. Parbury spoke on the development of a national spirit in Canada, and gave a splendid patriotic address, which was heartily received by the ladies present. In the motion conveying a vote of thanks, one of the speakers expressed the opinion "that in Mrs. Parbury, the farmers have a wonderful representative."

IMPOUNDMENT NOTICE
Notice is hereby given that the following animals have been impounded in the pound kept by the undersigned on the R.E. 14 Sec. 26:

1. Brown Stallion, two-year-old, branded with Q on left shoulder.
2. Dark Grey Stallion, two-year-old, branded with Q on left shoulder.
3. Black Stallion, little white on left hind foot, white hind feet.
4. Dark Brown Stallion, two-year-old, branded with Q on left shoulder.
5. Black Stallion, two-year-old, white hind foot, no visible brand.
6. Brown Stallion, two-year-old, white stripe on face, left hind foot white.

was impounded on the 22nd day of May, 1923.

A. DIXON,
Poundkeeper

Strathmore Stampede

Arrangements are being pushed ahead in connection with the big stampede which is to be held in Strathmore on July 19. A large-attended meeting of those interested was held in the Memorial Hall on Friday evening, when it was stated that permission had been given for the use of the grounds between the town and the school.

On this it is intended to build a half-mile track and erect corral. Two shifts will be erected, so that the bucking and other events can be pushed through without delay.

A great deal of interest is already being manifested throughout the country, and there is no doubt that the undertaking will be a big success. If weather conditions are favorable, and the support of Strathmore citizens is generously given. The proceeds of the Stampede are to go to the Memorial Hall fund.

Bowling Tournament

Ladies vs. the men of the congregation was held through the courtesy of Mr. Roland Hill, at the Hub Hotel late Allys last week.

Following are the scores:

Ladies
Mrs. French's team, 77; Mrs. Keel-in's team, 52; Mrs. Ridley's team, 54; Mrs. Gibson's team, 59.

Men
Mr. Ridley's team, 171; Mr. Patrick's team, 126; Mr. Youme's team, 168; Mr. Craddock's team, 129.

In the playoff on Thursday, May 31st, Mr. Ridley's team played Mr. J. French's team, the latter being the winner by four points, viz. 138-142.

Mr. Craddock's team would have done better but lost by one of the players falling down somewhat.

Baseball Notes

The opening game of the Bow Valley League was played Tuesday night in Gleichen between Strathmore and Gleichen and resulted in a win for the home team, 9-5.

This was the best game seen in Gleichen this season, both teams playing staggly ball. McArthur on the mound for Gleichen pitched good ball and was given good support. Strathmore has a real snappy outfield and no doubt this team will give a good account of themselves as the season advances.

The line-up of the teams was as follows:

Gleichen: D. James, centre field; McArthur, pitcher; Wilson, first base; McNeill, left field; B. James, catcher; Wright, 2nd base; Deham, 3rd, right field; Robertson, 2nd base; O'Connell, shortstop.

Strathmore: Smith, centre field; Thomas, pitcher; Jones, 1st base; A. Gray, left field; Anderson, catcher; Green, 2nd base; W. Gray, right field; Dyer, 2nd base; Venns, shortstop.

Mr. Deham, of Calgary, was again proved a very satisfactory umpire.

POTATOES MARKED COOPERATIVELY
The surplus potatoes in the Lethbridge district were pretty well cleaned up last week. Five carloads were marketed co-operatively, one car each being shipped from Mazzari, Welling, Lethbridge, Gram and Carletonville. The price paid the farmers was \$12.50 per ton on cash cars, and this was considered fairly satisfactory.

Cloudburst at Bassano

Bassano had the unusual experience on Thursday of a cloudburst and the gauge at the dam registered 6.77 inches of rain within the twenty-four hour period.

As the result of the downpour several bridges were washed away, and part of the track embankment at Bassano suffered, with the result that the Trans-Canada train was held up a night on a soft road, with two helpers to front and rear of her waiting out.

Cellars and low spots in Bassano were flooded, but these minor discomforts and losses were overlooked in the joy that the fall of such an amount of moisture brought to inhabitants, both of town and country.

The area of the cloudburst was limited. While at Bassano the rainfall for the week was 4.8 inches, at Glenora, about seventeen miles away, the week's precipitation was .65. However, further rains have fallen since then, and farmers in the Eastern Section of the Irrigation block are assured of the best crop they have had for a number of years past.

CANADIAN CATTLE IN BRITAIN

Prof. W. L. Carlyle, manager of the Prince of Wales ranch at High River, has returned from a trip to the Old Country, and has brought with him some high bred horses, cattle and sheep with which to stock the prince's ranch. Included in the first shipment is Will Somers, of the stables of King George, one of the best known and most consistent winners on British race courses of recent years.

Prof. Carlyle speaks encouragingly of the British market for Canadian stock cattle, and says the British importer demands well-bred stock, and advises Canadian breeders and ranchers to pay more attention to breeding what the British market requires, call for.

FROM HARD TIMES TO CANADA

By the phone handset? Minutes ahead the words of the WHEN the Canadian Pacific steamship "Mariorio" and "Metagana" last docked at St. John, Canada, gained to the extent of over six hundred able-bodied and industrious farmers, farm workers and women from the Heilons. Forged by the loss of their fishing trade through the war and German competition, and by general hard times in their own country, these people have come to a land of promise and have been welcomed as the most valuable immigrants in years.

Under the leadership of Rev. Alexander J. Gilling and Rev. John MacMillan, they have gone to the Red Deer district of Alberta and to various parts of Ontario, where they will engage in agriculture.

Most of them are from the island of South Uist, Bonaroch, Barra, where they were evicted small farms of from ten to twenty acres and kept a stock of from two to eight cattle and ten sheep on common pastures. In the spring they gathered seaweed for fertilizer, planted oats, barley, rye and potatoes, and when this was done took to the sea.

Canadian Pacific steamship "Metagana" came to engage in fishing, which brought but small returns. In the fall these who were most returned home, harvested the small crop and thirteenth they were left with no work for all.

It was of no use to find when there was no market and one was told in the work of all that they produced but little. The work was at every door, almost, and the emigration officer received many applications for immigration and later assistance than he could comfortably handle.

Three people having arrived and received welcome have already backed down to work. Their losses at home have contributed to Canada's gain. A large party have gone to Red Deer where they will build their own church and school, and in addition to English they will retain their own native Gaelic tongue. The remainder of the immigrants have been split up to hired men in various parts of Ontario. Over four hundred were passengers on the "Mariorio," the rest on the "Metagana."

Standard News

Mr. and Mrs. Castella motored to Calgary last Saturday to meet their daughter Carla, who has returned from an extended visit to Minneapolis.

Mrs. F. Pringle went to Calgary on Tuesday to meet her parents, Mr. and Mrs. B. F. Young, of Armstrong, B.C., who are now visiting at Standard.

A meeting of the Danish Ladies Aid was held at the home of Mrs. Frank Nelson, on May 31st.

Mr. and Mrs. Frank Kron and children left last week for Nebraska where they were called on account of the illness of Mrs. Kron's mother.

Don't forget the Big dance tonight, June 6.

Dr. Fletcher is making extensive improvements in his drug store.

Mr. Jack Grammon, of the Union Bank staff, has been unable to attend his duties for the past week owing to a severe attack of rheumatism.

Messrs. Penske, Klar, Otto W. Jensen were business visitors to Calgary during the week-end.

On Thursday afternoon, May 31st, this district had one of the heaviest rains it has had in years. Over four inches of water fell between 3 p.m. on Thursday and 7 a.m. Friday. Several culverts were washed out on the roads leading from town, and a washout on the railway five miles east of town caused the railway's train from Calgary to be cancelled. Crop conditions are excellent.

Several farmers are using cultivators instead of ploughs in the cultivation of their summerfallow this season. Messrs. Anderson and Nelson are using cultivators exclusively on their 2000 acres of summerfallow.

We understand that there will be some changes in the management of our local elevators this season. Mr. C. Busch, who has been in charge of the National Elevator since it was built in 1917, will go to Keoma for the same company, and Mr. H. F. Finke, agent at the U.G.O. elevator, will succeed him in 1917, will go to Chinook to take charge of his company's business there.

Are you a good eater? If you are try to gauge the number of times in the jar the Tennis Club are exhibiting. It will cost you ten cents, and you may be lucky enough to get that handy automobile rug.

Quite a number of sport fans intend taking in the Dempsey-Gibbons contest at Shelby on July 4th.

The appearance of the Standard Meat Market has been much improved by a new coat of paint.

Rev. Hansen and Mr. Hansen were visitors to Calgary last week.

STRONG MESSAGE HAS "NICE PEOPLE"

New William de Mille Picture Not a Scrim, However.

"Nice People" has a sermon. It is a particularly convincing story with a fascinating romance and real dramatic power. But with these it carries a powerful theme directed against the danger of a large portion of our nation's society.

An all-star cast headed by Wallace Reid, Bebe Daniels, Conrad Nagel and Julia Faye portrays the story which was adapted by Clara Beranger from Rachel Crothers' play of the same name.

Local Notings

OF LOCAL INTEREST
 Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or 68

G. S. Piley and several members of the Provincial Executive, G.W.V.A. will attend the meeting of Strathmore G.W.V.A. on Tuesday, June 12. All returned men urged to be present.

Professor Elliott, who addressed Strathmore C.P.A. and U.F.W.A. on Sunday, is well-known in Strathmore, having been for a couple of years manager of the C.P.R. Demonstration Farm here, 1911 and 1912, which was the period of the greatest growth of the farm. Following that he was in charge of Olds Agricultural School, and is now head of the Live Stock Dept. of the U.G.G. Mr. Elliott was keenly interested to see the progress that had been made in Strathmore, especially in the park, which was first planted in 1914.

The high-powered and persuasive scheme, in whose reference was made in Mr. A. C. Satch's letter in our columns last week, do not confine their efforts to the farmers. Only last week we had occasion to examine some of the accounts sent us by local firms, and found that they were printed by a Toronto firm. On making inquiry we found that the prices paid for these, when sales tax and express charges were taken into consideration, were at least as much as would have been charged for the same stationery printed in Strathmore. Even though inspired at ordinary times with the best of motives towards his home in Strathmore, the local business man sometimes, when he finds himself under the spell of hypnotic eye and tongue of a representative, slanders the dotted line, and reverses the advice which he hands out to others regarding buying at home. We hope these few lines will have the effect of inducing the business man to at least place his local printer for a quotation before he places an order with an outsider.

Due to the weather, the ball game to have been played between Strathmore and Seaforth at Strathmore on Friday had to be postponed. We all like baseball, but we like rain better.

The shift of the pipes of the 10th Battalion Band will allow the sports to be continued on Friday of this week. Delano is promising a real good time to all who go, and we trust their enterprise in arranging a first class programme will be rewarded.

Owing to the wet weather, the C.P.A. and U.F.W.A. District Convention which was to have been held at Strathmore last week was postponed, and will be held on Friday of this week. When the programme as originally drawn up will be carried through.

Mr. T. H. Eves has taken over the Coal and agency from Mr. E. E. Zerkle, and is now operating it.

Mr. Geo. R. Westland, a veteran newspaperman, who has many years edited the Initial Press, and retired a year ago, has been unable to keep out of the game, and has entered on the active management of the Express, of Beaumont, Ont., which he has recently purchased.

According to the first draft of the resolution Conference, which has been sitting in Calgary during the past week, Rev. A. H. Rowe remains in Strathmore for another term, while Rev. John Gordon remains at Tule. Rev. H. E. James is the new pastor in charge at Nightingale. These decisions will give much satisfaction locally, as both Rev. Rowe and Gordon have given great satisfaction during the time they have been in their respective districts, and their work has been very fruitful of results. The Nightingale incumbent is new to the district, but has made a very good impression since his arrival.

We received, several days ago, the report of the Lehigh Superior Agricultural Fair, edited by Mr. E. H. Fairfield, Superintendent. The report gives a record of good work done in the interests of the farmers of the West, sometimes under discouraging circumstances. One very interesting feature of the report, in view of the weather, we have been experiencing during the past month, is a record of the monthly rainfall during the growing season from 1902 to 1922. 1902 was evidently an "anno mirabilis" for in May of that year 11.27 inches of rain fell. The next May to that in point of rainfall is 1906, when 8.60 of rain fell. 1909 comes next, with 4.27, and 1916 follows with 3.77. The lowest rainfall in May was in 1914, being .29.

We regret to report the death of Gerald Anderson, which occurred on Sunday, May 27, at Windsor, Ontario. "Jerry" as he was familiarly known had been in bad health for several years. He was 29 years of age. He had lived in Strathmore since 1909, having come here with his parents, and left with them on their return to Eastern Canada last month. Jerry was a boy who had grown up in the town, and he had many friends, who will grieve with his parents and relatives in their bereavement.

The Western Canadian Colonization Association has undergone a complete change in executive, and Sir Augustus Nanton, prominent financier of Winnipeg, has been asked to accept the chairmanship. The board will be composed of three representatives from the C.P.R., three from the C.N.R., and three from the Government. It is stated that the C.P.R. representatives will be: D. C. Coleman, vice-president; P. L. Nalmsin, Calgary; and Col. J. S. Dennis, Edmonton.

Langdon L.O.F. are holding a big programme of sports at Langdon on July 2nd, commencing at 1 p.m. Twenty-four big cash prizes are being offered, and a special attraction will be the bucking contest. As the second is the Dominion Day Holiday, there should be a big attendance. The funds will go towards hall improvements at Langdon.

Multiplies itself

Acts quickly

Maintains itself

Smooths the skin

These Quicker Shaves Mean Younger Faces

Ordinarily, shaving ages the skin—adds years to a man's looks. By giving them a shaving cream soothing to the skin we wiped years from millions of men's faces.

At the same time we cut down shaving time for them.

We spent 18 months—made 130 experiments—perfecting a cream with 5 distinct advantages:

It softens any beard in one minute—without rubbing in.

Multiplies itself 250 times in rich lather. Lather lasts, if necessary, 10 minutes—doesn't dry away.

Strong-walled bubbles hold hairs erect—for easier cutting.

And the after-effect is lotion-like—skin-soothing.

That's why millions of men today use PALMOLIVE SHAVING CREAM.

We ask you to try it at our expense. Test for yourself the truth of our claims.

Ardenode Notes

A meeting of the U.P.W.A. was held at the home of Mrs. O. R. Booth on Wednesday last. Mrs. O. R. Booth read a paper on the needs of rural school children, and consolidated schools. Mrs. J. Horrocks also gave a few notes on Municipal School Board.

Both of these papers forming good material for discussion among the members. At the close of the meeting a delicious lunch was served by the hostess. Next meeting will be held at the home of Mrs. J. Horrocks on June 6th, when Mrs. Murphy will give a paper on the relations of school children and the home.

Everyone please come and take the interest you should do in your own local. Don't leave it for someone else to do.

Mrs. J. Horrocks and Mrs. Gohard attended a directors meeting last Thursday of the Strathmore District Association, held at Mr. Mill's Secretary, Rockyford. They report a good time spent in making arrangements for next meeting of the District Association to be held in Nightingale Hall on June 1st. We hope all U.P.W.A. and U.P.W.A. members will attend, please bring your lunch. The Nightingale ladies have kindly offered to provide tea and coffee.

Elwood News

Mr. and Mrs. T. A. Thorsen left in May 20th for a short visit with their parents and other relatives in Wisconsin.

Mr. Ted Hogan and Miss Shieriff spent the weekend in Calgary.

Mr. A. H. Shoultice and Mr. Alex. Montgomery of Nanaka were callers in the district on Sunday.

Elwood is ahead of most districts, in some ways at least. We have people who seem to think that this is leap year or else they are just getting in practice.

Mr. Geo. McLean spent Saturday night and part of Sunday with Orville Hanson.

Several from here are intending to take in the dance at Nanaka on June 4th, while others will attend the U.P.W.A. dance night at W. H. McPhee's on the same night.

The addition to our schoolhouse barn is not progressing very fast.

Golf and the Farmer

Golf is one practical method of keeping the young generation on the farm, is the opinion of the Hon. H. W. Newlands, Lieutenant Governor of Saskatchewan.

Addressing the annual convention of the Saskatchewan Association of Rural Municipalities in Regina, His Honour called the creation of Municipal golf links one of the pressing problems of the rural districts.

"If I had made such a statement before a similar convention ten years ago it would have been regarded as a joke," Governor Newlands added. "Today golf is one of the most serious problems for municipal authorities in every district of Western Canada. Municipal links heretofore were confined to urban centres, but now in many parts of Saskatchewan you will find links composed of portions of farm lands donated by their owners in the common purpose of creating a community centre."

Supporting this argument he told of a conversation with one of the founders of such links. He quoted the farmer golfer as saying:

"I have received more value from that land than I ever did when it was growing wheat. It is the only thing that makes a retired farmer's life worth living. We didn't have an expert to lay it out. We created it ourselves and change it to suit ourselves."

But here the spirit of the golf fan crept in. His Honour said, the farmer added: "But we're not going to change it again if I can help it. I went around in 96 and that record's going to stand as long as I can make it."

"In the rural links lies the solution of the question of how to keep the young people from being driven away by the attractions of the cities," the governor continued. "In the old land the country is the place where one goes to seek amusement. We could make the same true here if the idea of country golf links was given better impetus. I believe that golf would prove a great boon to our farming communities. It will not only give you and your families a place of recreation, but it will give you an easy way in which to entertain visitors."

In tendering His Honour the vote of thanks on behalf of the convention, T. H. Moffat, Viceroy, commented favorably on the suggestion of rural links.

"It is an opportunity which we have overlooked," he said. "We are too much taken up with making a living and forget to live." Canadian Golfer.

Trans-Canada Highway

On Tuesday morning the plans for the Trans-Canada Highway were laid before the Minister of Public Works by Dr. Doolittle, President of the Canadian Automobile Association. So far as Alberta is concerned we will have two branches of the main highway. This highway runs from Halifax to Regina, where it forks, one branch going west by way of Moose Jaw, Medicine Hat, Calgary and Banff to Vancouver, and the other going west by Saskatoon, Battleford, Edmonton and Jasper Park to Vancouver.

This will put the main highway through each of Alberta's great National Parks. Mr. Ross, Minister of Public Works, approved of the plans, and said he intended to make a personal inspection of the Jasper Highway route. He left this week on this trip of inspection.

Officials of the Department of Agriculture have completed a survey of the province and have the geosupplies pre-education campaign well organized and functioning. The central supply stations at Edmonton, Calgary, Medicine Hat and Lethbridge are equipped with supplies for poison bait to meet any demand which may be made. The provincial organization covering the unorganized portions of the country is complete, a number of the officials who were on the work last year being employed. Last year's work had given them valuable experience, and which may be required this year. The same thing is true of the organized municipalities, they are in good shape to take up the work where necessary. It is anticipated that the good results of last season's energetic campaign will minimize the work for this year. The roadside grasshopper has been pretty well cleaned up, an trouble this year is expected to come from the Lesser Migratory Grasshopper.

Professor Strickland, Government Entomologist, is this week in the Peace River country investigating reports from that part of the province.

OFFICIAL FIGURES
ON CROP MOVEMENT

Figures of the movement of the 1921
grain crop have been published recently
by the Dominion Bureau of Statistics.
There were apparently 286,758,
974 bushels of wheat in Western Canada
and 108,881,476 bushels in Eastern
Canada. Of this amount 11,374,419
bushels were exported overseas. The
overseas export represented one-third of
the crop. Of the Canadian grown
wheat exported 109,009,466 bushels
were shipped from United States
ports, and 24,734,549 bushels from
Canadian ports.

**Annual Convention of
Women's Institute**

The convention of Alberta Women's
Institute held last week in the University
of Alberta, at Edmonton, was one
to be remembered in the history of
the Institutes.

Living all together as one big family
in the resident halls, Athabasca,
Pembina, and Assiniboine, under the
competent control of Miss Russell,
House Matron, the social side of convention
life was one of importance
in the furthering of our motto: "For
Home and Country."

The convention was one of education
and inspiration in the addresses
and reports give, each speaker being
a specialist in his or her line of work,
and we heard Hon. Irene Purdy,
M.L.A., Mrs. Nellie McInnes, M.L.A.,
Magistrate Emily Murphy, Mr. Mc-
Phee, Dean Rowes and Dr. MacBeath,
of the University; H. A. Craig,
Deputy Minister of Agriculture; and
our provincial president, Mrs. J. N.
Beaucher.

The reports of Directors, and conven-
ers of standing committees were
surprising, considering the lean year,
of the work accomplished by our In-
stitute women over the province.

The Department of Extension Ser-
vice, in charge of Miss Jessie Mac-
Millan and her staff, assisted in carry-
ing out the routine business of con-
vention with their helps and exhibi-
tions of handwork, given in their demon-
stration courses.

Those attending from Glenochil con-
sistencies were: Mrs. C. J. Fulton,
Langdon; Mrs. L. E. Shore, Green-
town; Mrs. W. F. Evans and Mrs. L.
Michael, Glenochil; Mrs. Cecelia Dahl,
Standard; Mrs. A. Ley and Mrs. R.
W. Collison, Chazy; and Mrs. Lena de
Witt, Mrs. W. A. Frohner, and Mrs.
S. E. Hall, Strathmore.

**Prot. Elliott Speaks
on Co-Operation**

Owing to bad roads the U.F.A. and
U.F.W.A. joint meeting which was
held in the I.O.O.F. hall on Saturday
was not as well attended as it other-
wise would have been, but those who
did attend were well rewarded by an
excellent address by Professor J. W.
Elliott, of the Live Stock Department
of the United Grain Growers, his
theme being "Co-operation." Mr. Dan
Pratt presided.

While employed by the U.G.G., Mr.
Elliott was not dealing specially with
the work that organization has been
doing, but referred to the work of as-
sociations throughout the country.

One great advantage of co-operative
cattle selling was that cattle could be
sorted on the primary market, and
then either sold to better advantage
graded cattle sold to much better ad-
vantage than ungraded. The various
large markets offered special advan-
tages for particular types of cattle at
certain times, and with cattle graded
they could be shipped where the best
prices were obtainable for their par-
ticular grades.

Professor Elliott instanced some
very successful co-operative associations
throughout the Province, espe-
cially the one at Acme, which was per-
haps the best managed in the Province.
The way out of the present dilemma
would be found largely by a better
system of marketing, and farmers
could help much to bring about it by
organising. It would help their U.F.A.
Associations to take up practical work
of this kind.

A hearty vote of thanks was ex-
pressed by Professor Elliott at the conclusion
of his address.
The other business transacted was
light, time being limited.
Interesting Address Promised On
Friday.

On Friday of the week Mr. A. C.
Weaver, of Bassano, will speak on
"Saprio and Co-operation." The lecture
will be given in the I.O.O.F. hall, and
will be open to the public. It is to be
hoped that there will be large at-
tendance, both of farmers and towns-
people.

MILLION DOLLAR RAINS
Professor Cutler, of the University
of Alberta, figured that the weekend
rain in Alberta passed the "million
dollar rain" stage and went into the
"twenty-five million dollar rain" class.
The Vegreville district, with two and
three-fourths inches of rain on Sunday,
the 27th, set the record for this year
in the central part of the province.

Golf News

Last week, despite the weather, the
Captain and Vice-Captains of the ladies'
section, managed to "carry through"
the match between their opposing
teams, the victory going to the Vice-
Captain's team by two points.

Captain's Team

Mrs. Patrick, Capt. 1; Miss Watson;
Mrs. Girvin, 0; Mrs. Williams, 0;
Mrs. French, 0; Miss Gibson, 0; Mrs.
Keeling, 1; Mrs. S. Chamberlain, 1.
Total, 2.

Vice-Captain's Team

Mrs. Billo, Vice-Capt. 1; Miss Kay-
vett, 1; Mrs. Tompkins, 1; Mrs. Brown,
0; Mrs. Van Tieshon, 1; Mrs. Young,
1; Mrs. T. Chamberlain, 0; Mrs.
Lloyd, 0. Total, 5.

The game of Ladder Golf, which has
proved so popular elsewhere, is start-
ing this week in Strathmore. The
ladders are set up in the window of
the Strathmore Hardware Co. Challenge
the next afternoon on the ladder and
see if you can take him by the place.
The men's team match, Captain vs.
President, will be played next Satur-
day and Sunday, 18 holes, match play.
Andrews rules and penalties, show
local rules and penalties for out of
bounds and kosher holes.

**Press Associations
Meet This Week**

The annual Convention of the Al-
berta and B. C. Press Associations will
be held at Jasper National Park, Al-
berta, on June 7, 8, and 9.

The Associations comprise the ma-
jority of the daily and weekly news-
paper editors of the province. Prin-
cipal speakers at the convention will be:
W. A. Buchanan, ex-M.P., and
editor of the Lethbridge Herald; Dean
Spencer, of the School of Journalism,
Washington; Col. Porter, a veteran
Western Canadian newspaperman;
and Geo. H. Sauls, of the printing
firm of Sauls and Pollard, Winnipeg.
Besides these speakers, the associa-
tions will have a number of matters
to take up relating to the welfare of
the Press.

John Mackenzie, of the Strathmore
and Bow Valley Standard, is this year
President of the Alberta Association,
and L. D. Keckitt, of the Bassano
Mail, Secretary.

The President of the B.C. Associa-
tion is L. J. Hall, editor of the Vernon
News and Secretary Mr. Walker, of
Enderby.

THE PRODUCE MERCHANTS' ACT

Dealers and merchants who come
within the scope of the above Act are
reminded that licenses should be taken
out promptly. The license year runs
from the first of May until the 30th
of April following. Application forms
and licenses can be obtained from the
Department of Agriculture, Edmonton.
Those subject to the provisions of the
Act are dealers in any agricultural
product or farm produce, including
cattle, sheep, swine, poultry, eggs,
vegetables, fruits, butter and butter
fat, milk, livestock feeds and hides.
The Act does not apply to any person
bonded under the Canada Grain Act,
or the Live Stock and Live Stock Pro-
ducts Act, nor to any retail merchant
in respect of the transaction of his or-
dinary business.

In these times of all times

Baintree Notes

Mr. and Mrs. Pat Colbert are rejoicing over the birth of a baby boy. The ladies of the U.P.W.A. presented Mrs. J. W. Rennie with a handsome gift on the occasion of her visit to the old country. Jim was rather homesick the last time we saw him. Cheer up, old boy, absence only makes the heart grow fonder.

A large number of people were present in the school house on Wednesday evening, and greatly enjoyed the splendid sermon by the Rev. Mr. James.

Mr. Hans Kraus, of Portland, Ore., who has large interests in the district was a visitor to Baintree last week. He expressed himself as being highly pleased at the favorable conditions prevailing.

Did you take in the baseball game at Rockyford on Empire Day?

If you didn't you certainly missed a treat, for the brand of ball served up would have done credit to a bunch of high priced professionals.

As Rockyford is just a suburb of Baintree, we, of course, rooted for the home team, and believe us, we'd soon get kicked by an ostrich than have "Lory Brown chase us with a ball."

The splendid rains of last week have had a most beneficial effect on the crop, and it is many years since we have seen so many perfect fields of grain.

Irrigation is certainly fine, but to have your whole farm watered in a single day is surely much better. The young children who had never seen a good rain, and thinking that the "big old" second degree had come, were willing to help build the "rain."

CO-OPERATIVE HAY SHIPPING

The Co-operative Shipping Association at Coronation reports successful shipments of hays and cattle to the Calgary Stockyards. On a \$20 market for hays, selling expenses, freight, commissions, insurance, etc., absorbed about 50c per hundred pounds, leaving the producer \$1.50 per hundred pounds off the cars at Calgary. The shrinkage between Coronation and Calgary was 3-4 pounds per hog. The farmers producing the hays considered the co-operative shipping very satisfactory.

Mr. Wm. Dallas accompanied by Donald is spending a few weeks with relatives in the Hanna district.

A meeting under the auspices of the Bible Students' Assoc., will be held in the school house on Thursday evening, June 14th. All those interested are given a cordial invitation to attend.

Despite the inclement weather, the U.P.W.A. meeting held at Mrs. Penion Smith's was attended by a large and enthusiastic number of members.

A joint picnic and other business was discussed, and the dairy report served by the business was very much enjoyed by everyone. By the way, what takes so many of the male tribe to the ladies' meetings?

Is it to discuss crop conditions and politics, or to enjoy the tea and the cake?

Rockyford to have

Piano Recital

The time is drawing near for the second piano recital to be given by the students in music under the tuition of the Rev. Father Boltz. The program this year will be a varied one, and the public will surely be impressed with the splendid progress these young people have made in the past year. The recital will be held in the Union Church at Rockyford, and it is expected that arrangements can be made for the use of two pianos so that trios and quartets and sextets can be played. Some of the outstanding numbers will be the playing of Bobb's famous piece "The Pommery" by little May Kent, Lambert Katterhagen will play Godard's popular "Valse Chromatique." Miss Sallie Spillard whose musical ability is well known will play Grieg's delightful and sprightly "Anitra's Dance" for her first number, and for her second will play Bachmann's wonderful "Prelude in G. Minor" or as this selection is more generally known as "The March of the Russian Cossacks." Admission to the recital will be free to all, with preference given, naturally, to the parents and relatives of the performers as far as good seats are concerned. A full program will be published later.

Keeping the Town Tidy

The people of the vicinity of Rockyford have been doing considerable talking over a rule that was given some consideration by the Council in endeavor to keep the Village clean and safe from fire hazard by trying to have farmers feed their horses from designated places instead of anywhere within the village. No definite steps have been taken except to try to acquire a suitable place on which they would erect good substantial hitching posts.

It wasn't an Alberta editor, but a printer's devil, who was going through his first experience on "making up" forms. The paper was late and the boy got the forms mixed. The first of the obituary notices of a deceased citizen had been dumped in the forms, and the next handful of type came off a galley describing a recent fire. It read like this: "The tall bearers lowered the body to the grave and as it was consigned to the flames there were few, if any, regrets, for the old wreck had been an eyesore to the town for years. Of course there was individual loss, but that was fully covered by insurance." The widow thinks the editor wrote the obituary that way because the lamented partner of her joys and sorrows owed him five years' subscription.

CLOSED FOR SEASON

The Provincial Government seed cleaning and grading plant at Edmonton has been closed for the season, and no more cleaning will be done until after the grain from the new crop comes in in the fall.

Rockyford Locals

The editor of the Rockyford section attended a conference in Edmonton last week, returning to Rockyford on Monday.

The Sacrament of Holy Communion was instituted by Our Lord on Holy Thursday, the night before he was crucified. The saddest and serious events of Good Friday follow too close on to Holy Thursday to permit of the fitting celebration of this divine institution on that day, so the feast is transferred to a time when full honor and due devotion can be rendered to our Most High God dwelling in all humanity in our Tabernacles under the form of the consecrated bread. The celebration of the Feast lasts eight days with the solemn procession of the Blessed Sacrament on the Sunday within the octave of the High Mass. In this procession the young children dress in white; the girls with white veils represent the angels and Heaven only reveals that adoringly before our Lord; they carry baskets of flowers they scatter in the path of the priest carrying the blessed sacrament as a form of honor to our Divine Lord. The people sing hymns during the procession and three times the feast is made while our Lord in the Blessed Sacrament is raised in benediction over His People. The young boys of the Parish carry lighted candles, to represent the light of faith in which light we should all walk before our Lord.

SHORT CUT TO ATTENTION AND AN AVENUE TO PROSPERITY.

Advertising begins as a short-cut across lots. A short-cut to attention and favor. It serves the business which has neither money enough nor time enough to wait for the slow, old-fashioned method of sitting down and waiting to be "discovered."

Advertising begins as a short-cut; it grows into an avenue. An avenue to prosperity. It provides a broad way to the continued favor of thousands.

For the great merchants and manufacturers it has already grown to avenue-size, spreading desire for their goods and building prestige.

For the small dealer it is available as a cut across lots.

Reaching the public with no time lost. The first path across lots is as important as the avenue.

For with it as a starter there would be no avenue in the end.

Slats' Diary

Friday was a wedding in an neither-
ness tent, a week ago yesterday Joe
Potts ran over a plate
into the park his car
mobile and she got real
sore and he would had
to replace it, so they
went and picked it up
some how & they got
married tonight and they
lived till happily ever af-
terwards nubby.

Saturday—We
were supposed to practice
Base Ball this afternoon
but I went and played
Croquet all afternoon
with a girl from the
city which was sun girl
to. Bitters and I was Cissy and a
quicker and set, but I forgive him and
he is Keweenaw because he had never
seen the girl when he set.

Sunday—They was Co. at home for
some time today and a young lady
and the female sex as she calls them
nearly sat pa was his fan-
tasy Milton and Breen and pa sed he
was trying to find him some lo-
cause he had new fire a long time that
they was both dead centuries ago.

Monday—Teacher was asking us the
definition of different words today and
she sat Pat Stevens what did Gusto
mean. He said it was sun kind of
flavours or something of that kind, but
other. She smiled and said What
did you mean Archibald with is his
real name at school and in his family
but he will punch are head if we call
him that. He red he recited read-
ing about the 3 Musketeers which
led in and the three footy, then said
a trifle of mud on my fit this evening
and had sun discussion with me on
red of some. Home life is getting to
be unbearable here of lately. Ma and
pa don't seem to appreciate the new-
ness of my had and visits Hilda any
more.

Wednesday—Pa had home another
cousin for dinner at supper-
time tonight and as we got into the
you sent cuffs to let a person to
not at all ahead of time. She was as
soon as 2 come rubbing my head and
another. I put a record entitled
(When I get you Alone Tonight) on the
record and put sent me to bed.

Thursday—When I came home they
was a man in the front room talking
to us about the eunuchs of death and
the unceremonious of life and etc, and
I said who was he and she said, he
was he was a minister probly. But
come to find out he was a Insurance
agent.

IRRICANA NEWS
—o—
A day of real western sports with
held in the sporting town of Strath-
more on July 10th. Don't forget to
see a day off and enjoy the country
sports.

Miss Selma Lamb was visiting her
sister from out of the week-end.
Nurse Velma Strath will return on
the 12th to resume duties at the
General Hospital.

Re note of the backwash of the
spying, what spying was completed
in good season without outbursts
of the secret police. Everything is
in that career. Cross in general go
off to a good start and should yield
well.

Fred Davis was a business visit
to the city during the week.
Church service which was to be
conducted by the Rev. W. A. Smith,
at 7:30, on Sunday last, was postponed
on account of the soft condition of
roads.

Gasheppers have not made any ap-
pearance in the district as yet this
season. Young mothers have been I
not yet married. Everything is in
the usual way.

Paul Kerkel has lowered the net-
ting around his pen-housed business
talk in you view.

CHEADLE NOTES
—o—
Mr. Chas Edwards has returned
from the States where he was attend-
ing the funeral of his mother who
died two days before he got here.

Mrs. Kerkel has left for a visit north.
Mrs. Tim Kiddie is home for a few
days, but is returning to Calgary soon
for further medical treatment.

Ray and Walter Miller, from Sharp
are sending a few days at Harry
Horne.

Some of the Chasle brothers have
been busy practicing for the stamp
sale, the sale being held throughout
the country this summer.

Mr. James Payne had a horse killed
by lightning on Saturday last.
Oscar Walters has come north to
Millett to look after a piece of land
he has bought there, and get some
breaking and fencing done on it.

Rosebud News

Mr. and Mrs. Popham are spending
a few days in Calgary.
Miss Georgia Kempt is bounding
with Mrs. A. E. Viner until high school
leaves.

Mr. and Mrs. A. McLaughlin were
Calgary visitors last week.
The flood came Thursday, May 1st
and everybody in leaving distance of
the creek have fences to rebuild.

R. W. Brunner notified the Police
family of a six foot wall of water go-
ing down the creek, and the family
left at once for higher ground, landed
in the Anderson home, where they
were fed and warmed, even if the
creek does use a few bad words of
reasonably, "it" certainly can cook.

Edgar Shulz and Robt Heberting
lost possession of the Porky horse
after their hurried get away and re-
turned cattle and chickens, and were
prepared to take the furniture up
stairs, if the water should get into
the house. Thanks to the horse.

Some of the talk that L. W. Com-
stock is not discussing the ages of
the good looking ladies of the dis-
trict, he has been seen actually
crying.

Thomas Jones and family spent
very enjoyable moments Thursday night
tearing that the high water house
cause a slide and turn their house in-
to a boat.

About seven inches of water fell
within five hours, causing the loss of
hedge and washing the wheat fields
in chaos.

Don Porter nearly lost a leg when
the approach of a bridge gave way
but was finally rescued without in-
jury.

Our councilmen, Brunner and Davis
are kept busy getting men to do the
road work.

W. Payne is not improving very
rapidly.
Charlie Connel spent Saturday night
at the Anderson home.

Lost and found at the house of De-
Kemp, a pair of shoes on one Mon-
day morning.

Prof. Spruce and Miss Cop, our
band teacher, spent the weekend in
Calgary.

Mr. Jones is spending the week-
end in a sooty way, helping to get
and make in possible condition, and
also helping the flood stricken
family.

Master Lawrence Hughes stepped
on a rusty nail and had a painful
wound, but is better at this writing.
When asked if he knew any more,
John answered: "It's raining."

Classified Ads.

Ads. in our classified columns only cost one cent
a word, minimum 25c, paid in advance. If booked, 2c per
word. The Standard is read by practically everyone re-
siding in the Western Bow Valley. It goes into 1100 homes
two-thirds of these farm homes, and an ad. in these
columns offers you the cheapest and best method you can
utilize of circularizing the district as to what you have to
buy or sell. Call, write, or phone your ads. Get them in
by Monday evening.
